International personal or bank checks will not be accepted. The \$250 tuition deposit paid per child prior to your arrival will be credited toward your overall semester payment.

Visiting Family Tuition Rates Include:

- Daily bus transportation to and from school (on established bus routes).
- Enrollment in the CFS Spanish as a Second Language program for students, with private or small group instruction 5x/week.
- Personalized academic and social guidance aimed specifically for visiting international students
- Point person on campus for visiting family needs and issues: housing, transportation, culture, translation, school and community involvement.

The Cloud Forest School is a local, not-for-profit Costa Rican school and over 75% of our students receive need-based scholarships in order to attend our school. International family tuition, as well as revenue raised through other international programs, helps us to subsidize tuition for local families with high financial need. International families may apply for financial aid. If you have further questions or concerns, please contact Whitney Hall at: opportunities@cloudforestschool.org.
